<p>When you have finished viewing the results for your child, select the Virginia Assessment Parent Portal title or the Back button in your browser to return to the main screen. This will allow you to enter the demographic information and Claim Code for another child (if applicable). When you have finished reviewing the test results, select the “Log Out” option from the drop-down menu that appears when you select your email address in the upper right corner of the screen.</p>	 <p>Virginia Assessment Parent Portal</p> <p>Profile Log Out</p>

6-Changing Your Account Profile

Step	Visual Aid
<p>If at any time after successfully logging in you wish to edit the name or password associated with your account, select your email address in the upper right corner of the screen, and select "Profile" from the drop-down menu.</p>	 <p>The screenshot shows a white dropdown menu with a dark blue header. The menu contains two items: 'Profile' and 'Log Out'. Below the menu, there is some partially visible text: 'en' and 'ard or media.'</p>
<p>On the next screen, enter any changes to your name(s) and/or password in the appropriate fields, and then select Save and/or Update Password.</p> <p><u>Note:</u> You cannot change the email associated with your Parent Portal account. If you no longer have access to the email address used to create your account, you will need to create a new account.</p>	 <p>The screenshot shows a form with two sections. The first section has a yellow header and contains two text input fields: 'First Name' (with 'Madison' entered) and 'Last Name' (with 'BDDVIDLN' entered). Below these is a green 'Save' button. The second section also has a yellow header and contains three text input fields: 'Current Password', 'New Password', and 'Confirm Password'. Below these is a green 'Update Password' button.</p>

7-Troubleshooting

Issue	Resolution
A message indicated your email address is already in use for an existing account when attempting to create a new account.	You may have already created an account for the Parent Portal. Try logging in. If needed, use the Forgot password? link on the login page.
I did not receive the initial email to confirm my account.	Try these steps in the following order: 1. Check your Spam or Junk folders. 2. Try creating a new user account with the email you used initially to setup your account. If you receive a success message, this may indicate the account was not created or the email was entered incorrectly. 3. Add noreply@mail.pearsonaccessnext.com to your address book.
I received an “Account Not Verified” message when trying to log in.	You need to confirm your account by following the link sent in the initial email. Use the link in the email you received to confirm your account, and log in again. Note: if you still see the “Account Not Verified” screen, try logging out and log back in again.
I received a “Supplied credentials are invalid. Email address or password was incorrect.” message when trying to log in.	Try these steps: 1. Click on the “Forgot Password” link on the login screen. When you receive the email, reset your password and try to log in again. 2. If you are unsuccessful in resetting your password, try creating a new user account. The email address could have been mistyped when attempting to create your account or the account may not have been created.
I forgot my password.	Select the “Forgot Password?” link on the login page. You will be prompted to enter your email address, and a new system-generated email will be immediately sent to you with a new link to reset your password. Please use the link in the most recent email and do not use a previous password.
I received a “Student Results Not Found” message.	Verify the first name, last name, date of birth, and claim code match what your child’s school provided. If problems still exist, please reach out to your child’s school/division.
