

# Our Commitments to Teachers

## **We WILL UPLIFT the Teaching Profession by:**

- Removing obstacles to instructional planning
- Celebrating great teaching and learning
- Embracing teacher input in matters impacting instruction, climate and school safety
- Increasing our emphasis on proper student conduct and proactive measures to improve student behavior

# Our Commitments to All Staff

## **We WILL:**

- Acknowledge successes by celebrating together
- Establish and maintain safe and healthy workplaces
- Make time to engage in community building activities
- Maintain a consistent focus on school and organizational safety by ensuring proper training and communication of safety practices
- Ensure that clear and timely communication remains a priority
- Promote NNPS through professionalism, results, values and service to the community
