### What We Believe...

- There are essential skills that students need to be successful.
- Every student should have the opportunity to get connected through at least one club, sport, or activity. Student voice matters! Every student should have the opportunity to lead and serve.
- Healthy relationships and bonding are important for student success.
- Students deserve an environment that is physically and emotionally safe.
- Every student should feel like they belong in their school and community.
- All students need to have clear and positive expectations
- Students and families need information and access to helpful resources.
- Every student should get what they need, when they need it, and how they need it!
